

CE BREAKOUT SESSIONS

BUYER'S STUDY OF VOLUNTARY BENEFITS - A discussion of the various industry trends that employers are facing and the subsequent need for stronger, more flexible benefits packages. Presented by: Rich Johnson, UNUM.

COBRA & ARRA - An overview of ARRA changes (Stimulus Bill) to COBRA including a full explanation of an Assistance Eligible Individual, how the subsidy works, and new notice requirements. Presented by: Sherry L. Brackney, Dept. of Labor/Employee Benefits Security Administration.

DISABILITY INCOME BASICS - This course is designed to give you a familiarity with the terminology of the individual DI marketplace. Presented by: Daniel Dietrich, Principal Financial Group.

HEALTHY INDIANA PLAN - This course provides an overview of the Healthy Indiana Plan (HIP), including what it is and how it was developed. The course also explains in detail the coverage offered by the plan, what the POWER account is and how it works, who may qualify for coverage under the plan, and the applicants' responsibilities under the plan. Presented by: Jack Fagan, Financial Arts, Inc.

HIPAA & ARRA - An overview of ARRA changes (Stimulus Bill) to HIPAA and how it affects you, the agent, including Business Associate agreements and agency Privacy & Security compliance requirements. Presented by: Marlene Bowen, RHU, HIPAA Compliance Consultant, Mehringer & Associates

MEDICARE SUPPLEMENT PLAN CHANGES - In June, 2010, there will be major changes in the Medicare Supplement plan options. There will be an elimination of four Medicare Supplement Plans, an addition of 2 more Plans (M & N), an elimination of the At-Home Recovery Benefit and other revisions. If you are in the Medicare Supplement market, you need to attend this workshop! Presented by: Cindy K. Trahin, RHU, CSA

SELF-FUNDING 101 - A two part course (you must attend both sessions to receive credit) on self-funding. Presented by: Denny Wright, President of IntraHealth Solutions, Inc.

3 MYTHS of the SINGLE PAYER SYSTEM - Health insurance producers need to be able to explain to a client why a single-payer system would NOT be the miracle cure to all of our health care problems. To be able to do this, you need to learn the truth behind the Three Myths of a Single-Payer Health Care Delivery System: Myth #1: Everyone Has Access; Myth #2: They Have Better Outcomes; and, Myth #3: It Costs Less. Presented by: Patricia A. Griffey, Page 1 Benefits, Inc.
